

Teacher: Renee Gehman

Friday April 9, 2010

9:30 am to 12:30 pm

## Pebbles and “Relief Motif” on glass

Work with colors for Earth fired glass colors to create this 8 inch square plate. This design also features the use of 96 COE Pebbles and “Relief Motif” on glass. Relief Motif has a firing range from cone 015 to 6 high-fire.

Students will receive detailed instructions and photos, the use of color and brushes with workshop fee. Students are responsible for firing at home.

**Class Fee: \$55** Bring take home box.

1:30 pm to 4:30 pm

## Black Elegance Majolica scroll work

This piece features colors for Earth new “Black Matt” glaze and “Relief Motif” products. Create this elegant majolica piece with scroll work design with Renee Gehman. No more masking off and painting around designs. Students will work on black matt glaze base using Color Strokes for design work and accent with Relief Motif. Relief Motif is a stand-up white textured glaze that can be tinted. Relief Motif covers in one coat or can be built up for designs.

Student will complete one piece and receive detailed instructions with photos, the use of color and brushes with workshop fee. Pieces may vary. Students are responsible for firing at home.

**Class Fee: \$45** Bring take home box (8x8).
